## VISIT TO A FOREST SCHOOL PROGRAMME

To complete the level 1 qualification students are required to observe a minimum of one session at an established Forest School (led by a qualified level 3 practitioner). This can be any Level 3 Forest School practitioner, and it is up to the student to arrange these visits.

If you need support to arrange this visit we may be able to signpost you to Forest Schools in Norfolk (Please note that some Forest School practitioners might charge visitors a fee to cover their time). You may also find a level 3 practitioner through the Forest School Associations website – <https://www.forestschoollassociation.org>

## ONLINE TUTORIAL

After students have made a visit to observe a Forest School, we offer further support remotely to help consolidate your learning. This takes place online through a group zoom call. During this call we will:

- Reconnect as a group
- Reflect on our experiences of observing the different Forest School sessions
- Have opportunity to ask any questions that have arisen from the experience
- Have opportunity to ask any questions related to the written workbook
